Important Insurance Information

Due to the many changes in the insurance industry,
it is no longer an easy task to interpret each patient's individual policy.
Although we try to stay aware of these changes, it is not always possible.

It is YOUR responsibility to know your individual insurance coverage.

**Please remember, Your insurance policy
is between you and your insurance carrier.**

Make sure you are covered.

**Failure to comply with this suggestion could result in
your being responsible for charges not covered by your insurance plan.**

*Because your appointment time is scheduled just for you,
we reserve the right to charge for canceled or missed appointments.*

By signing below, I acknowledge reading and agreeing to comply with the policies outlined above.
